## ULTEGRA® BAGGAGE SCALE

Fairbanks Scales' Ultegra Baggage Scale is a perfect solution for today's airline industry because its proven, rugged design is being used in hundreds of applications worldwide.

### BUILT FOR TODAY'S TECHNOLOGY NEEDS

The Ultegra Baggage Scale's USB output easily interfaces with any PC and all summing and programming components are contained within the scale platform. The result is a sleek, streamlined baggage handler, made for seamless customer interaction.

### REMOTE DISPLAY COMES STANDARD WITH SCALE

A panel mount remote display is included with the purchase of each Ultegra Baggage Scale. Additional remote displays are sold separately.

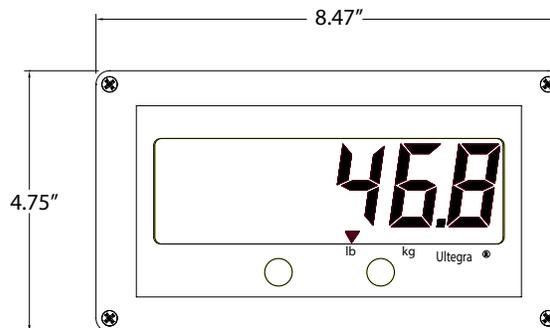

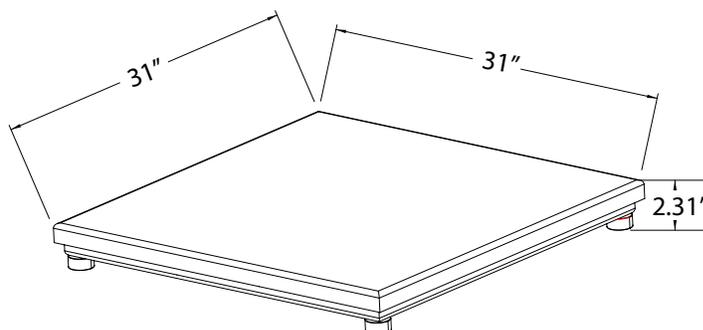

### FEATURES
