

FAIRBANKS®

1200 SERIES PORTABLE UTILITY SCALE

Fairbanks' 1200 Series combines digital electronics with reliable, mechanical weighing to create a general purpose, 1,000 pound capacity, utility scale that is approved for commercial applications.

ECONOMICAL AND EASY TO USE

This portable, cast iron scale runs on AC or battery-power, enabling it to operate virtually anywhere. Easy-rolling wheels and a new, non-slip, ergonomic handle make moving the scale a simple task.

APPLICATIONS

- Material handling
- Inventory management
- Parts distribution
- Warehousing
- Auditing
- Bag filling

FEATURES

- Sturdy cast iron base, lever system, platform and wheels provide years of accurate service.
- Made for easy portability with cast iron wheels and new, non-slip, ergonomic handle.
- Battery or AC power.
- Fairbanks' low-power technology enables batteries to last through 34 hours of continuous use.
- 2.0" backlit LCD is easy to read in most lighting conditions.
- NTEP and MC approved for "Legal for Trade" applications.
