Pallet Weigh Series Pallet Jack Scales

• *READY TO USE IN MINUTES* • *DURABLE* • *PROVEN DESIGN*

PALLET WEIGH

Fairbanks Scales' Pallet Weigh pallet jack scale combines the functionality of a rugged pallet jack with the incredible accuracy of a Fairbanks scale. This revolutionary product is easy to maneuver into space-limited areas and its simple operation keeps work flowing in fast-paced environments. Additionally, the Pallet Weigh meets or exceeds industry standards for accuracy, durability and repeatability in non-commercial application.

SCALE FEATURES

- 3000 lb and 5000 lb capacities
- Weighing tolerance: 0.1 percent of the applied weight
- Four AA batteries allow an operation time of one year at five weighments per day
- Low power consumption via automatic switch off
- Weighs in pounds or kilograms
- High-tensile steel frame and seamless forks

INSTRUMENT FUNCTIONS

- Automatic and manual zero correction
- Gross/net weighing
- Summing
- Error messages in display
- Automatic power savings (3 minutes with no activity)
- Low battery indication in display

INSTRUMENT SPECIFICATIONS

Display	5 digits, 0.71" tall, LCD
Units	Pounds (default), kilograms
Keypad	4 function keys — zero, tare, sum and on/off
Protection	NEMA 4
Display update rate	2 times per second
Internal update rate	56 times per second
Internal resolution	1,000,000 counts
Batteries	6 VDC by 4 AA
Battery life	One year (based on five weighments per day)
Approvals	RoHS compliant

MODELS AVAILABLE FOR COMMERCIAL AND NON-COMMERCIAL APPLICATIONS.

PALLET WEIGH PLUS

The easy-to-maneuver Pallet Weigh Plus pallet jack scale is ideal in legal-for-trade pallet weighing applications. It can be used to check the shipping weight of incoming or outgoing goods, to quickly count in-stock parts, and to fulfill general product weighing needs. This heavy-duty pallet jack scale provides a rapid weight capturing method for fast-moving, limited space environments.

SCALE FEATURES

- 3000 lb and 5000 lb capacities
- High accuracy, maximum error 0.1 percent of the applied weight
- Easily exchangeable battery pack for continuous use (charger included)
- Instrument backlight for increased display visibility
- Piece counting program with piece weight sampling
- Weighs in pounds (default) or kilograms and includes toggle function
- Optional integrated thermal printer

INSTRUMENT FUNCTIONS

- Automatic/manual zero correction
- Gross/net weighing
- Automatic and manual tare
- Summing with sequence number
- ID code entry (5 digit)
- Piece counting by sampling
- Piece counting by entry of piece weight
- Error messages in display
- Automatic switch off when idle for 30 minutes
- Optional printing of date, time, counted pieces and gross/net weight

Battery Pack

Optional Printer

INSTRUMENT SPECIFICATIONS

Display	5 digits, 0.71" tall, LCD with backlight
Units	Pounds (default), kilograms
Keypad	5 function keys — counting, print, tare, zero and on/off
Protection	NEMA 4
Battery	12 VDC/1.2 Ah rechargeable; charger included
Battery life	35 hours
Charger	110 VAC / 12 VDC - 300 mA
Charging time	Approximately 6 hours
Approvals	NTEP CC#12-020, RoHS compliant

SPECIFICATIONS

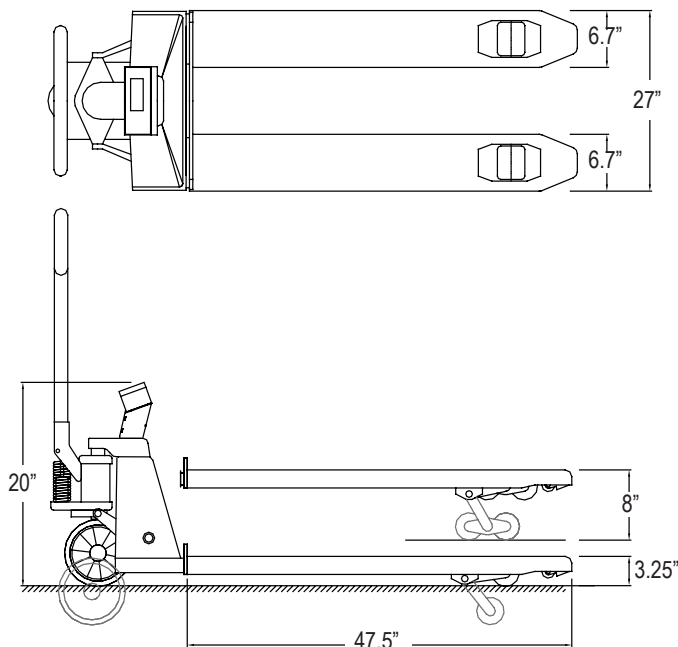

PALLET WEIGH (NON-COMMERCIAL) PLATFORM

Capacities 5000 lbs x 2 lbs and 3000 lbs x 1 lb
Protection Load cells and cabling - NEMA 5
Construction Steel
Steering wheels Polyurethane
Loading wheels Polyurethane, single
Finish Yellow and black, powder coat
Pump Quick lift
Weight 400 lbs
Approvals RoHS compliant

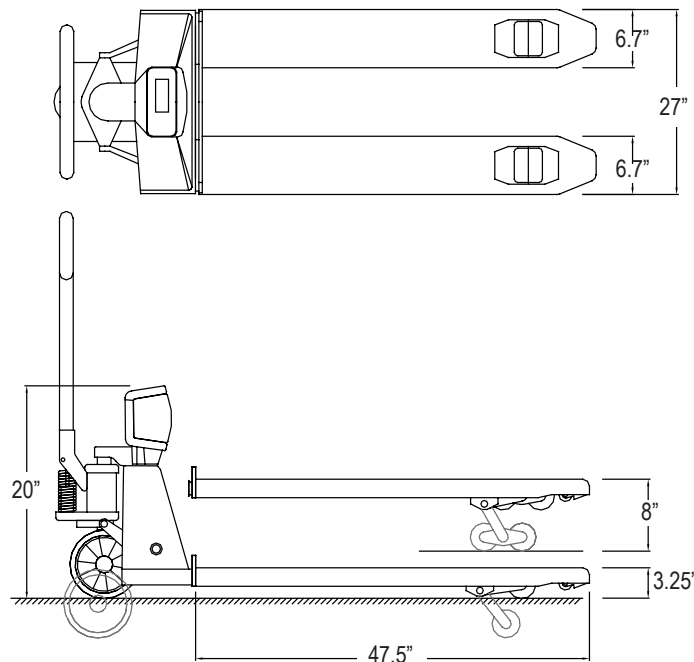

PALLET WEIGH PLUS (COMMERCIAL) PLATFORM

Capacities 5000 lbs x 2 lbs and 3000 lbs x 1 lb
Protection Load cells and cabling - NEMA 5
Construction Steel
Steering wheels Polyurethane
Loading wheels Polyurethane, single
Finish Yellow and black, powder coat
Pump Quick lift
Weight 400 lbs
Options Integrated thermal printer
Approvals NTEP CC# 12-019, RoHS compliant
