

# SOLAS compliance

SETTING THE  
INDUSTRY STANDARD  
SINCE 1830

## ACCURACY IS KEY TO SOLAS COMPLIANCE AND THE STANDARD FOR FAIRBANKS SCALES

- Fairbanks standard products provide weight information that complies with SOLAS regulations.
- Special software is never required.
- A reliable and accurate way to obtain Verified Gross Mass (VGM).
- Avoid port delays and possible monetary penalties.

### FAIRBANKS SOLAS COMPLIANT CONTAINER/TRUCK WEIGHING CONFIGURATION INCLUDES:

- NTEP APPROVED SCALE PLATFORM
- INSTRUMENTATION (MODEL FB2550)
- TICKET PRINTER (MODEL 590)

*No special software is needed to capture and print SOLAS compliant container/truck weights using Fairbanks Scales weighing products.*
