

FAIRBANKS®

2055 SERIES LASERJET PRINTER

The 2055 Series is a compact, energy efficient laserjet printer that maintains high productivity and quick print speeds.

REDUCE ENERGY CONSUMPTION

With its Instant-on Technology, the 2055 Series laserjet printer powers-up and is ready to print in seconds, while providing up to a 50 percent energy savings over printers that use traditional fusing technology.

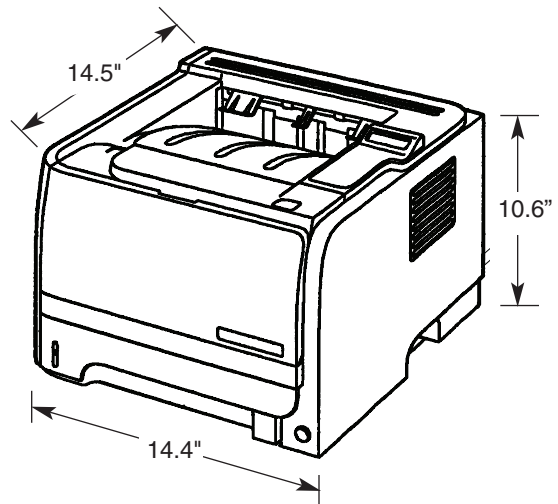

COMPACT, QUIET AND FAST

Save valuable desktop space and enjoy convenient printer access with the 2055 Series' sleek, space-saving design. Reduce operational noise by activating the 2055's quiet mode. Get your documents and get back to work quickly with print speeds up to 35 pages per minute (ppm) for letters, and 33 ppm for A4 formats.
