

FAIRBANKS®

DPB SERIES BENCH SCALES

The DPB Series Bench Scale is a versatile, non-commercial line of scales that are available in a variety of capacities to meet a variety of weighing needs.

EASY TO USE

Each bench scale in this series has been designed for user-friendly operation. The straightforward, six-key keypad includes audible entry so you are ensured fast, error-free operation. Standard applications include tare, pounds/kilograms conversion and auto zero tracking. The large LED display allows for easy viewing in a variety of lighting conditions.

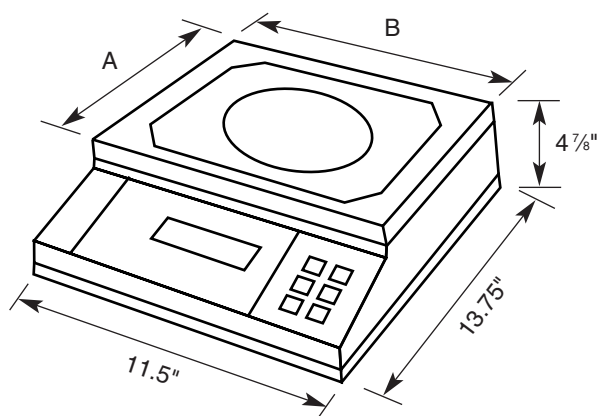

DURABLE

Available in three sizes, the DPB Series Bench Scales are designed to provide many years of dependable service. These lightweight scales feature a large stainless steel platform that is easily removed for fast, convenient cleaning.
